Cancellations and Schedule Changes

Whenever there is extreme weather over the weekend or a scheduled WOW night, please check your email or our website for cancellations or schedule changes. If you are in the Church Center Directory, a mass text will also be sent out with any cancellations or schedule changes.

Next Explorers' Class - Feb. 6, 13, 27, Mar. 6 12:00 pm

The next Explorers' Class will start on Feb. 6! We will meet in the Great Hall at noon and begin with a light lunch followed by our class time. After Session 2, we will take a week off from class, and attendees will meet with a ruling elder in an informal setting. Sessions 4 and 5 will take place the following two Sundays at noon back in the Great Hall. This is a great opportunity to get to know more about Westkirk! If you are considering joining the church, this class is a requirement for membership, but you are welcome to take the class just to get to know us better! We will need a head count for food purposes, so please mark your interest on the Connect Card, or you may call the office at 515-253-0330.

Church Center Tech Support!

Having trouble signing in to Church Center? Join us for an informal session to learn more about Church Center and get help signing in to the new directory and signing up for Small Groups. Tuesday, Jan. 25 at 1 pm in the Great Hall. Please bring your cell phone, email address and any log in/password information that you have.

Westkirk Women

Westkirk Women's next study will be a guided online course through Reformed Theological Seminary titled "Teaching Women to Teach". This course is not just for women interested in teaching the Bible, but for any who desire to grow in their study and understanding of scripture. It will be taught by seminary professors and will help us better know how to study and teach God's Word. We are very excited to be doing this course together and believe it will greatly benefit us in individual Bible study and corporately as we build up the women's ministry. The course runs from February 8 through March 15. We will be meeting to watch each session and discuss them together at Emily Crowder's home on Tuesday nights at 7pm.
