Staying Up-to-Date with our Missionaries

As we receive newsletters, pictures, and other materials from our missionaries, we will update folders that have been created for each missionary.

This URL will link you to the folders—www.tinyurl.com/westkirk. You may also scan the QR code to take you directly to the missionary updates folder!

A word of caution: Some of our missionaries are in dangerous areas. Updates for these missionaries may be found by clicking on the Westkirk Shepherd link on our website and entering the password. Please limit your use of this information to uphold these brothers and sisters in prayer! Printing and/or sharing some of the newsletters may put our missionaries in danger.
