Things to pray about:

We're back in Acts this week. Chapter 23 is so exciting! A bunch of the Pharisees said they wouldn't eat until they'd killed Paul. They were serious! But Paul's nephew, who was a young boy, heard them talking and told Paul, and then an important official about the Pharisees' plans. The official made sure that Paul would be safe until he could go to court to defend himself. Ask your family to read Acts 23 to you—it's a great example of God having everything in our lives taken care of!
