Isaiah 10:16—34 _____

In Isaiah 10:16-34, God is telling His people that they've messed up. They think they're pretty cool, but God reminds them that all they have and are able to do is because of Him. God promises to give them grace to get through the hard things they're going to have to do, and encouraging them with the promise that eventually their enemy will be destroyed. God is so good to us! His discipline is just and loving.
