# Paul's First Mission

## M A Z E

Now do the maze from 1 to 12 and follow the long trail, of travels both by land and sea, by foot and by boat's sail.

Pastor Michael is preaching from Acts 15:36-16:10. In it, Paul and Barnabas have a big argument, and end up deciding to go their separate ways. Barnabas takes Mark, and goes off to preach in Cyprus, while Paul and Silas leave for Syria. Now, arguments aren't good, but our God is so amazing that He used this argument to have people in TWO places hear about Jesus instead of all of the men preaching in the same place. God took something hard and made it into something amazing back in Bible times, and He's still doing that today!

So the churches were  
strengthened in the  
faith, and they increased  
in numbers daily.

- Acts 16:5
